

Kälviän Seurakunta

Induktiosilmukan kuuluvuus kartta

The floor plan illustrates the layout of Kälviän Seurakunta, highlighting the induction loop coverage. The yellow area represents the main church hall (194 M2), and the blue area represents the Sunday school hall (88 M2). The plan also shows various other rooms, including a kitchen, dining hall, parish hall, youth room, day care room, church office, and a choir area. The induction loop is designed to cover the main hall and the Sunday school hall, ensuring optimal audio quality for the congregation.
